

BRITISH WADOKAI KARATE

All Kyu grade examinations will be monitored by qualified **British Wadokai** Yudansha who possess Examiners/Instructors certificates/qualifications.

Level 1/1a (1a; assisted/provisional); allows the examiner to grade up to 6th Kyu, Level 2; up to 3rd Kyu, Level 3; up to 1st Kyu. Level 4; entitlements are split into segments: Level 4a up to Shodan, 4b up to Nidan, 4c up to Sandan. Level 5; is reserved for the BWK President/Chief Instructor.

Before conducting a grading ensure that the correct grade fee has been paid to the Secretary/Treasurer. When the applicant has handed over his BWK Licence, also check to see if it up to date.

During assessment always take medical, age, mental & physical aspects into consideration at all times. For example if someone suffers from dyslexia he may find problems with coordination. He may find problems with, or incapable of, reciting the Dojo-kun. Remember, a fully 'able' person 'should' know his stuff! If he does not, then mark him accordingly.

Faultless/Perfect: Faultless is a '*non-grade specific*' mark given to a student for an outstanding 'faultless' demonstration of the required technique. For example, the equivalent to a technique that would be marked 10/10 during a Yūdan assessment. Very few (if any) would be considered/marked 'faultless' for any Kyu grade due to the level of perfection.

Above Average: An exceptional technique above the expected grade level requirements. A technique that you would expect to see demonstrated during a more advanced level.

Average: The expected level of performance related to the grade being attempted.

Below Average: Below average performance. A technique that shows little evidence of improvement, as required, since last assessment level.

Wrong: Inadequate performance for grade level. A technique that is incorrect or has been performed with multiple errors.
